ABOUT

I am a full stack Web Developer who recently graduated from a coding program, with 1+ years of coding experience, as well as almost 2 years of professional design experience. As a full stack Developer, I am passionate about creating visually stunning and user-friendly websites/apps. I have a strong foundation in HTML, CSS, and JavaScript, as well as experience with React and Node.js. My attention to detail and ability to collaborate effectively make me a valuable asset to any team.
